To the Charter Revision Committee of Woodbury;

I am writing in support of adding two additional selectman to our current board of three extending it to a board of five.

I feel that the town has grown significantly and with a lot of diversity, it would be in the public's best interest to have better representation with four selectman, and then one First Selectman covering a wide range of representation for our community.

I'd also like to add they should run in staggered elections so that there is not a brand new board at one time. This way current board members can help train and get situated the newly elected board members.

I hope that you give deep consideration to this recommendation, I not only believe it will give better representation to our current community, but it will, in fact, get people more involved for volunteer elected, paid elected, and other community service.

Thank you for your consideration, Suzanne Lovig
