Sec 402 (j)(1)(A&B), (2)(A,B,&C)

Essentially to encompass all of Sec 402(j)

Example:

1. a. Conveyances of cash or other intangible personal property that is unrestricted... (skip to): ...whether by gift, bequest or otherwise when such conveyances are either unrestricted as to sale or use or are to be added to one or more established town funds, (add my suggestion as follows):

“Provision: that if any/all stipulations and/or purposes for such gifts, property and/or conveyances that may exist; including but not limited to any quid pro quo agreements are clearly listed, logged, dated, and attached to such gifts, donations, and conveyances. In addition, it must also be clearly listed as such in the event that there are no designated intended purposes for these gifts/conveyances.”
