B. Perkinson – Section 204(B)(2)

Now that we have come to a time in the calendar year where the annual Town meeting is held in November, the cost of the mailing of the blue card is once again a matter of concern. To mail all cards to every household in Woodbury is now \$1,047.55. This amount is up from last year and I am sure that next year it will be more.

Chapter II – The Town meeting, Section 204 B 2 “Additional notification”. I suggest removing this section due to cost of producing and mailing and because there is adequate notification stated in Section 204 B 1.b (Town bulletin board, whatever form that takes; newspaper publication, town website and Facebook, as well as board and commission notifications; flyers placed in Town offices as well as posted signs around Town) .
