

12-28-2024 M. Tyrell – notice

*12/28/2024*

*While I am the current chair of Woodbury's Inland Wetlands Agency, regarding section 204(B)(2), I personally believe a postcard size reminder should be sent to town residents 10 to 14 days prior to town meetings and regarding section 402(G), I believe that two joint meetings should occur each year. One in the later winter or early spring and one should be on the law, e.g., concerning FOI, legal suggestions, etc.*
