
**TOWN OF WOODBURY, LITCHFIELD COUNTY, CONNECTICUT
MS4 STORMWATER MANAGEMENT PLAN**

PUBLIC NOTICE

**2022 DRAFT – MS4 ANNUAL REPORT
GENERAL STORMWATER DISCHARGE PERMIT**

The Town of Woodbury is registered under the Connecticut Department of Energy and Environmental Protection’s (CT DEEP) General Permit for the Discharge of Stormwater from Small Municipal Separate Storm Sewer Systems. As part of its registration under the General Permit, the Town is required to file an annual report of activities undertaken to meet the Minimum Control Measures specified in the Permit and in the Town’s Stormwater Management Plan.

On or before February 15, 2023, the **Town of Woodbury 2022 DRAFT MS4 Annual Report** will be available for public review in the following locations:

- Electronic copy on the “**stormwater**” page of the Town of Woodbury website: www.woodburyct.org
- Paper copy at the Town of Woodbury Land Use Office – 281 Main Street South, Woodbury, CT 06798

The Final 2022 MS4 Annual Report will be submitted to CT DEEP by April 1, 2022, upon completion of the required public comment period.

All comments or questions relative to the Annual Report may be directed to:
