THREE RIVERS AD HOC COMMITTEE

Special MEETING

Monday, September 30, 2024
11:30 am
3 Rivers Park

Minutes

Members attending: David Taylor, Carol Haskins, Jami Gore, Carl Samuelson, Jeff Sherman, Kyle Turoczi, Mary Tyrell
Members absent: Mike Lodice

Other attendees: Barbara Perkinson, Will Agresta, Brian Cowden (Trout Scapes)

Meeting was called to order at 11:37

The Committee members reviewed the current conditions with Mr. Cowden and explored various possibilities.

It was decided to separate a section on the southern side of the damaged area since recent storms have shaped it to a healthy pitch.

For the upstream section which exhibits more serious damage, the bank will be stabilized as will be described in Trout Scapes' revised plan. The plan will include trimming the tree in the river and moving the root ball along with about 30 feet of trunk against the bank, securing it with normal restoration methods.

Mr. Cowden expects to have the revised plan and any necessary permit documentation ready by October 18, 2024.

Committee members will move forward with activities to plant the downstream area as soon as possible to further stabilize the soil.

Committee members voted to cancel its Oct. 2 meeting.

Meeting adjourned at 12:14PM.

Respectfully submitted,

David Taylor
