To the Charter Revision Commission:

On behalf of the Commission for Seniors, it is respectfully requested that Section 602(l) Commission for Seniors, be amended as previously requested in correspondence dated August 14, 2024.

The Commission for Seniors is not similarly situated as some of the other Commissions, i.e., Park and Recreation or Library Board of Trustees. The Commission for Seniors does not directly receive any gifts, money, etc. We are aware of the recommendation to change the wording of “advisory” to “governing” and we are NOT in favor of this change. We are NOT a governing body and do not autonomously make policy decisions, but rather collaborate to bring about change. We do not review or recommend acceptance of any gifts – money or otherwise.

Please, accept the recommended changes we have already sent to the CRC, without modifications.

Paul D. Hinckley  
Chair, Commission for Seniors
