

As we move into respiratory virus season once again, HVHD is hosting several **public flu clinics** throughout your area to help keep our community healthy. Below, you will find the dates, times, and locations of our public flu clinics, in addition to the appointment link, which can be used to sign up ahead of time. Appointments are not required, but are strongly encouraged to cut down on wait time and keep our clinics running smoothly.

Date	Time	Location	Appointment Link
