BERNARD ROSENBERG MEMORIAL AWARD

The Town of Woodbury Planning Commission seeks nominations for the **2023 Annual Bernard Rosenberg Memorial Award**. The Award is given each year by the Planning Commission to a Woodbury citizen in recognition and appreciation of their exceptional *volunteer* service to the Town.

The Award was established nearly 40 years ago following the passing of Dr. Rosenberg, a valued Commissioner of the Planning Commission. It annually honors individuals who have dedicated themselves to serving through acts of community service, involvement in town government and activities that benefit residents of the Town of Woodbury.

Nominations will be accepted for individuals who have made significant contributions as volunteers to the Woodbury community. Nominations are to include a brief narrative in support of a candidate outlining the following about the nominee:

- Nominee's name
- Description of the nominee's volunteer service activities
- Who and how that service has benefited and contributed to the town and its citizens

Please submit all nominations to the Woodbury Land Use Office located at 281 Main Street South or send via email to SKunz@woodburyct.org.

Nomination Submission Deadline: 4:00 pm, May 31, 2024

The Award will be presented at a public reception held preceding the Planning Commission's regular meeting on September 4, 2024, and the honoree's name will be added to a plaque that hangs in the Shove Building Conference Room in recognition of their service.

For questions or further clarification please call the Land Use Office at (203) 263-3467. Thank you for your thoughtful consideration.
