This Agreement is made and entered into this 1st day of July 2023 by and between the Town of Woodbury (hereinafter referred to as the "Employer") and AFSCME, Council 4, Local 818-063 (hereinafter referred to as the "Union").

PURPOSE

The purpose of this Agreement is to promote harmonious relations between the Employer and the Union and to establish wages, hours and working conditions for employees in the bargaining unit described in Article I.

ARTICLE I - RECOGNITION

Section 1. The Employer hereby recognizes the Union as the exclusive representative of the Employer's employees in the following bargaining unit:

Building Official; Children's Librarian; Teen Services Librarian; Technology/Reference Librarian; Accounting Manager; Director of Senior Services; Assessor; Parks and Recreation Director; and excluding Administrative Assistant to the First Selectman; Library Director; Town Planner; Fire Marshal; and Public Works Director.

Section 2. The terms "employee" and "employees" as used in this Agreement refer only to employees of the Employer who are included in the bargaining unit set forth above in Section 1.

ARTICLE II - MANAGEMENT RIGHTS

The Employer retains full and exclusive authority for the management of its operations to the extent it had such authority, whether exercised or not, prior to acquiring a duty to recognize and bargain with the Union, subject only to the extent such authority may be limited by the specific provisions expressed in this Agreement. All decisions on such rights and authority, to the extent not so limited by the specific provisions expressed in this Agreement, are reserved solely and exclusively to the Employer's jurisdiction and discretion. As examples of such authority, but not limited thereto, the Employer shall have the sole right and power to manage its work force; to select and determine the number and qualification of its employees; to direct, schedule and assign its employees; to hire, promote, transfer, layoff, discipline and discharge its employees; to establish, change, discontinue or enforce work rules and policies; and to modify or discontinue services or operations performed by the Employer.

ARTICLE III - UNION SECURITY

Section 1. Employees who are or who become members of the Union during the term of this Agreement shall pay monthly dues uniformly required of all members to AFSCME, Council 4, Local 818-063. Nothing contained in this Article shall require an employee to join or remain a member of the Union during the term of this Agreement as a condition of employment.

Section 2. Upon receipt of individual written authorization from an employee, the Employer shall deduct from the employee's wages the monthly dues required under this Agreement. The Employer shall remit such dues to the Union no later than the last day of each month.

Section 3. The Union will indemnify and hold the Employer harmless against any liability, in the form of monetary damages or otherwise, which arises or which may arise by reason of any action taken by the Employer in complying with the provisions of this Article and will reimburse the Employer promptly for costs the Employer incurs in defense of any action brought against it under this provision, either in court, before an administrative agency or by means of a grievance. The Union will cooperate with the Employer in preparing its defense.

Section 4. During the term of this Agreement, the Town will furnish the Local with an up-to-date list of employees. When a new employee is hired, the Town shall notify the Local and furnish the Local with the name, date of employment, classification and rate of pay of the new employee. When the employment of an employee terminates, the Town shall notify the Local and furnish the name and date of termination of the employee.

ARTICLE IV - PROBATIONARY EMPLOYEE

Section 1. Newly hired employees shall be considered probationary for a period of six (6) months from date of hire.

Section 2. At any time prior to the successful completion of the probationary period, the Employer may discharge the employee and such discharge shall not be subject to the grievance and arbitration provisions of this Agreement.

Section 3. Upon successful completion of the probationary period, an employee shall accrue vacation time retroactively to his/her most recent date of hire. Upon successful completion of the probationary period, an employee shall have his/her seniority calculated from his/her most recent date of hire.

ARTICLE V - HOURS OF WORK

Section 1. The Employer shall notify the Union of the Town's regular business hours. The Employer shall establish regular, daily starting and quitting times for each employee and shall notify the employee and the Union of such times.

Section 2. Employees must attend meetings and other functions scheduled outside the Employer's normal business hours as assigned.

Section 3. Flexible time off will be granted when an employee works 8 or more hours in a day. In the event an employee works 8 or more hours in a day, flexible time will be granted for all hours worked in excess of 8 hours. Adjustments to the working schedule shall be made to avoid continuous overage of time between 7 hours and 8 hours on a routine basis. In the event

an employee works outside the Town's regularly scheduled workdays (Saturdays, Sundays and Holidays), flexible time will be granted for all hours worked.

Section 4. Flexible time off earned in one calendar year must be taken by May 31 of the following year.

Section 5. Flexible time off shall be forfeited upon termination.

Section 6. Employees called in to work outside of scheduled hours (but not for early starts/late quits contiguous to regular scheduled hours) shall be guaranteed a two (2) hour minimum payment of compensatory time, provided it is understood that the Town may require employees to work during the two (2) hour period.

ARTICLE VI - DISCIPLINARY ACTION

Section 1. Non-probationary employees shall not be subject to any disciplinary action including discharge except for just cause.

Section 2. A copy of any written reprimand will be placed in the employee's personnel file and copies shall be furnished to the employee and the Union.

Section 3. Any employee suspended or dismissed under this Article shall be given written notice by the First Selectman stating the reasons for suspension or dismissal.

Section 4. For purposes of further disciplinary action, the Employer will not rely on past written warnings documented in an employee's personnel file after eighteen (18) months following the date of the documentation of the written warning, provided the employee has not been subject of any further disciplinary action during such 18-month period.

ARTICLE VII - SENIORITY

Section 1. Seniority is defined as the total continuous length of service in the bargaining unit since the employee's most recent date of hire with the Employer.

Section 2. An employee's seniority shall commence after the completion of the probationary period and shall be retroactive to the most recent date of hire.

Section 3. An employee shall lose his/her seniority and all rights under this Agreement and shall be terminated when he/she:

- a) Quits voluntarily or retires.
- b) Is discharged for proper cause.

- c) Exceeds an official leave of absence, unless he/she is unable to notify the Employer prior to such expiration of his/her inability to return to work for reasons satisfactory to the Employer.
- d) Fails to return to work on recall from layoff within three (3) days after the Employer has sent notice to him/her by certified letter to the last address furnished to the Employer by the employee.
- e) Is absent, except in case of layoff, for three (3) consecutive working days without notifying the Employer.
- f) Is laid off for a period of twelve (12) consecutive months.

Section 4. When it becomes necessary to lay off employees because of lack of work, such layoffs shall be made by seniority within the job classification in question in the following order:

- a) Full-time probationary employees.
- b) Regular part-time employees.
- c) Full-time employees.

Section 5. Recall will be in order of seniority, according to the classes of employees above, with the employee with the greatest seniority who is qualified for the job being recalled first. It is understood that the employee to be recalled must possess the ability to perform the job he/she is being recalled to.

Section 6. New positions and/or job vacancies shall be offered employees with the greatest seniority providing the individual has the necessary qualifications and provided further that such individual is the best qualified applicant for the position.

Section 7. An employee not recalled due to the inability to perform the job shall remain on the top of the recall list for the remainder of the recall period.

ARTICLE VIII - GRIEVANCE AND ARBITRATION

Section 1. A "grievance" is a dispute over the application or interpretation of a specific provision of this Agreement, and shall be processed exclusively in accordance with the procedure set forth herein.

Section 2. The Union may appoint a steward solely for the purpose of discussing grievances in accordance with this Article. The Union staff representative will be given reasonable access to the Town offices for purposes of investigating and processing grievances in accordance with this Article. Employees shall not engage in Union activity during working time except as necessary to process a grievance in accordance with this Article.

Step 1. A grievance must be presented in writing to the employee's Department Head no later than ten (10) working days after the events giving rise to the grievance allegedly occurred. The Department Head or his designee, the steward and the grievant shall meet within five (5) working days after the grievance is received to resolve the grievance. The Department Head may resolve or deny the grievance subject to the final approval of the First Selectman.

Step 2. If the grievance is not resolved at the Step 1 meeting, the Union staff representative may present the grievance in writing to the First Selectman within five (5) working days of receipt of the Step 1 decision. The First Selectman or her designee, the Union staff representative and the grievant shall meet within ten (10) working days after the grievance is received to resolve the grievance. The First Selectman shall issue a decision within fifteen (15) working days after the grievance is received.

Step 3. If the grievance is not resolved to the satisfaction of the grievant within five (5) working days after such meeting with the First Selectman in Step 2 the grievant or the union representative, may file for mediation by the Connecticut State Board of Mediation and Arbitration.

Step 4. In the event the First Selectman and the Union staff representative fail to reach a mutually satisfactory settlement at the Step 2 meeting or after the Step 3 mediation, the Union may within thirty (30) calendar days of receipt of the First Selectman's decision file a grievance with the American Arbitration Association (AAA) for arbitration in accordance with its Labor Arbitration Rules, but the Union must do so by certified mail, return receipt requested, and for the grievance to be arbitrable the following conditions must be satisfied:

- a) The grievance filed with the AAA must be the same one as submitted to the First Selectman at Step 2, neither revised, amended nor supplemented;
- b) Only one grievance may be filed with the AAA at a time;
- c) Only the Union may file a grievance for arbitration; in the event the Union Representative is of the opinion that an employee's grievance is without merit, the Local Union shall not be required to process the matter any further and he/she shall so inform the employee filing the grievance and the Employer. There shall be no liability imposed thereby on the Union or the Employer; and
- d) Simultaneously with the Union's filing of the grievance with the AAA, the Union shall mail a copy of the filed documents to the Employer.

Section 3. The decision and award of the arbitrator shall be in writing and shall be final and binding upon all parties. The arbitrator shall have no authority to change, amend, add to, or subtract from any of the specific provisions of this Agreement and shall have the authority only to determine whether, by the acts alleged in the grievance, the Employer misinterpreted or misapplied the specific provision expressed in the Agreement as the Union claims. The fees of the arbitrator and the cost of the arbitration shall be shared equally by the Employer and the Union.

Section 4. The time limits specified herein may only be extended by mutual written agreement of the Employer and the Union. Failure by the steward or the Union staff representative to process a grievance within the time limits provided above shall be deemed a waiver of such grievance, and the grievance shall be considered resolved in accordance with the position of the Employer. Failure by the Employer to meet or respond to the grievance within the time limits provided above shall permit the Union to process the grievance to the next step within the time limits set forth above.

Section 5. When the grievant is required to testify at the arbitration proceedings during regularly scheduled working time, the grievant shall not lose regular pay for working time spent testifying or waiting to testify.

ARTICLE IX - LEAVES OF ABSENCE

Section 1. Employees who are regularly scheduled to work more than 1,250 hours per year may request FMLA leave for any of the following reasons:

- a) For the birth of a child and to care for the new born child;

- c) To care for the employee's spouse, child or parent with a serious health condition; and

Section 2. The First Selectman will determine whether the requested leave is justified based on medical or legal documentation supplied along with the request.

Section 3. The FMLA leave shall not exceed a twelve-week period within any twelve-month period.

Section 4. The leave specified in Section 1 shall be unpaid; however, the Town shall continue at its expense, subject to the regular employee contributions, the medical insurance coverage program that the employee had prior to the leave provided that the employee shall be required to pay his/her share of medical premiums while on leave.

Section 5. An employee may make a written request to the First Selectman for a leave of absence not to exceed one year because of compelling circumstances. The First Selectman will determine whether the requested leave of absence should be recommended to the Board of Selectman for approval. Leaves of absence granted under this Section shall be unpaid. Employees absent on an approved leave under this Section may continue their group health insurance at their own cost.

Section 6. Employees shall not earn or accrue fringe benefits, including but not limited to sick leave or vacation, during a leave approved under this Article.

Section 7. Any employee who fails to return to work as scheduled following the expiration of a leave of absence approved under this Article shall be deemed to have voluntarily resigned his or her employment.

Section 8. Military leave, not to exceed ten (10) working days per year, shall be granted to regular, full-time employees to serve on Active Reserve or National Guard duty. The Town shall pay the difference between the employee's regular compensation and the military compensation if the Town compensation is higher.

Section 9. Employees shall be granted leaves of absence for required jury duty. The Employer shall compensate the employees the difference between their regular rate of pay and that received as a juror for a maximum thirty (30) working days of jury service. Employees called for jury duty shall furnish the Town with a notice of service, evidence of jury service, and any payments made to them.

Section 10. Attendance at conferences and training sessions related to the job shall be allowed without loss of pay provided that such attendance is approved in advance by the Department Head and by the First Selectman or designee. Section 3. Except as otherwise provided below, when a holiday occurs on Saturday, Friday shall be the day of observance. When a holiday occurs on Sunday, Monday shall be the day of observance. Employees who are assigned to the Library may observe holidays on the actual date of the holiday, as determined by the Library Director, provided that the Library Director will provide the Union with advance notice of any deviations to holiday observances for library employees prior to January 1st of each year.

Section 4. To be eligible for holiday pay under this Article an employee must:

- a) Work his or her last regularly scheduled work day preceding the holiday unless absent due to illness;

Section 1. The standard vacation year shall run from January 1 to December 31. An employee's vacation time shall be computed on the basis of his or her anniversary date of employment. Vacation days may be taken consecutively or otherwise, but the time for taking them must be approved in advance by the First Selectman or her designee. Vacation time may be taken in hourly increments.

Section 2. Regular, full-time employees regularly assigned to work at least 30 hours per week shall accrue vacation time according to this Article.

Section 6. No more than 15 vacation days shall be carried over from one vacation year to the next. The maximum accruable vacation time is 30 days.

Section 7. Whenever there is a conflict in requested vacation days between persons in the same department, preference shall be given to employees according to seniority.

ARTICLE XIV - INSURANCE

Section 1. The Employer will provide group health insurance benefits described below to eligible employees and their dependents. Eligibility to participate in the group plan shall be governed solely by the terms of the insurance contract. Group health insurance provided under this Agreement shall be comparable to the following:

- a) During the July 1, 2023 – June 30, 2026 Contract Years

Employees shall be offered benefits under the HDHP/HSA Plan (\$2,500/\$5,000) with benefit terms described in Attachment A.

The Town will fund thirty-five percent (35%) of the deductible cost.

- b) The Town will contribute to employees’ HSA accounts in two (2) installments. The first will take place on the first payroll in July and the second on the first payroll in January of each contract year. The parties agree that an employee who incurs medical costs that exceed the first installment payment prior to the first payroll in January of any contract year, after showing proof of his/her exhaustion of the Town’s first installment payment on covered medical expenses, is eligible to receive the second installment payment prior to the first payroll in January. The employee agrees to re-pay the Town, on a pro-rata basis, for any unearned portion of the

Town's deductible contribution should the employee's employment with the Town terminate prior to June 30 of any contract year.

The parties acknowledge that the Town's contribution toward the funding of the HSA is not an element of the underlying insurance plan, but rather relates to the manner in which the deductible shall be funded for active employees. The Town shall have no obligation to fund any portion of the HDHP deductible for retirees, beneficiaries, dependents, or other individuals upon their separation from employment.

- c) Consistent with the legal requirements, for employees who are eligible to receive and have elected to enroll in Medicare and are unable to contribute to an HSA or to have the Town contribute to an HSA on their behalf, the Town will offer the same medical benefits that it has agreed to provide to employees who participate in the HSA plan, through a Health Reimbursement Account ("HRA"), with the Town funding the same portions of the deductible as the Town funds for employees participating in the HSA plan.
- d) Employees shall be offered the dental plan without orthodonture. This coverage shall be available to the employee, his/her spouse and children as defined in the insurance contract.
- e) Life Insurance policy of \$20,000.00 or one and one-half (1½) times the employee's base salary, whichever is greater, on the employee's life.
- f) Long term disability coverage equal to 60% of an employee's monthly pay to a maximum of \$2,250.00 per month, offset by other sources of Employer sponsored income. Long-term disability coverage provided under this Agreement is subject to and governed by the terms and conditions of the insurance contract. To be eligible for long term disability coverage under this Agreement, the employee must be regular full-time, and must work at least 30 hours per week.

Section 2. Regular, full-time employees who regularly work at least 30 hours per week shall contribute toward the payment of the premiums for medical/surgical and hospital benefit, major medical, dental and prescription plans offered by the Town in the following amounts:

<u>Dates</u>	<u>Percentage of Employee Contribution</u>
Effective 7/1/2023	19.0%
Effective 7/1/2024	19.0%
Effective 7/1/2025	20.0%

Eligible employees who waive their right to participate in the Town's benefit plans shall receive the following annual payments, based on the level of coverage they would otherwise be eligible to receive, as follows:

Single: \$625

Two-persons: \$1,300

Family: \$1,700

This payment will be made by separate check at the end of the plan year.

Regular, part-time employees who regularly work at least 20 hours per week may select insurance coverage described in this Article, provided such employees pay 100% of the premium required for coverage selected. The Town will provide the current COBRA costs on which the employee's percentage contribution shall be based.

Section 3. The Employer may change carriers provided that the coverage made available to employees is substantially equivalent to the coverage described in this Article.

Section 4.

- a) For employees hired on or before June 30, 2005 the Town agrees as follows: Once the full-time employee (regularly worked 30 hours or more), who has regularly retired under the terms of the Town of Woodbury Pension Plan, is eligible for Medicare coverage, the Town shall provide, without cost to the employee, the medical supplemental riders to the employee. If the employee wishes to include his/her spouse with this coverage, the employee must pay one hundred (100%) percent of the difference in premium between that of the employee/spouse coverage and that of the employee only coverage. If the spouse outlives the former employee, the Town will then pay their medical insurance through this plan for three (3) months following the death of the retiree.
- b) For employees hired after June 30, 2005 and before July 1, 2008, the Town agrees as follows: Once the full-time employee (regularly worked 30 hours or more), who has regularly retired under the terms of the Town of Woodbury Pension Plan, is eligible for Medicare coverage, the Town shall pay 75% of the cost for medical supplemental riders for employee coverage. If the employee wishes to include his/her spouse with this coverage, the employee must pay one hundred percent (100%) of the difference in premium between that of the employee/spouse coverage and that of the employee only coverage. If the spouse outlives the former employee, the Town will then pay 75% of their medical insurance through this plan for three (3) months following the death of the retiree.
- c) For employees hired on or after July 1, 2008, the Town agrees as follows: Once the full-time employee (regularly worked 30 hours or more), who has regularly retired under the terms of the Town of Woodbury Pension Plan, is eligible for Medicare coverage, the employee may purchase Medicare supplemental coverage at the Town's group rates provided the employee pays 100% of the premiums.
- d) Employees who receive Medicare supplemental coverage under this Section 4 shall pay the same prescription co-pays as active employees.

ARTICLE XV - SICK LEAVE

Section 1. Sick leave without loss of regular pay shall be granted to employees in accordance with the following:

- a) Regular, full-time employees regularly scheduled to work at least 30 hours per week shall accrue sick leave at a rate of 1 day per full calendar month of employment, with a maximum of 12 days annually. No sick leave shall accrue when an employee is on an unpaid leave of absence for more than 3 days.
- b) Regular, part-time employees regularly scheduled to work at least 20 hours per week shall accrue sick leave at a rate of ½ day per calendar month, with a maximum of 6 days annually.

Section 2. Employees must notify their supervisors as far in advance as possible of their inability to report to work and their anticipated length of absence. Sick leave may be taken in hourly increments.

Section 3. Sick leave may be granted for personal or family sickness or physical incapacity resulting from causes beyond the employee's control. The Employer may require medical verification of illness that lasts for more than 3 working days.

Section 4. Accrued but unused sick leave shall not be payable on termination except for retirement. Upon retirement, an employee shall receive 1/4 day's pay for each unused sick day.

Section 5. Funeral leave may be granted if there is a death in the immediate family of the employee with 3 days permitted for each such death. For purposes of this section "immediate family" means the spouse, father, mother, mother-in-law, father-in-law, brother, sister, son, daughter, grandparents, step-parents, step-children and grandchildren of the employee. One day off with pay shall be granted if there is a death of the employee's brother-in-law, sister-in-law, aunt, or uncle. Time off for funeral leave will not be counted against accrued sick time.

Section 6. Sick leave may be taken to meet medical or dental appointments when an employee has made a reasonable effort to secure appointments outside his or her working hours, provided the department head is notified at least one day in advance.

Section 7. The Town shall establish a voluntary master sick leave bank for use by employees who suffer prolonged illness or have an immediate family member who suffers prolonged illness, and who have exhausted their sick leave.

- a) Participation in the master sick leave bank requires a minimum annual contribution of two sick days from the participating employee's accumulated sick leave. However, employees may contribute more than two days if they desire. Employees wishing to participate in the master sick leave bank must contribute to the bank during the month of January each year.

- b) A participating employee shall be permitted, upon written application to the First Selectman, and with the First Selectman's approval, to withdraw up to thirty days from the bank after his/her own accumulated sick leave has been exhausted. The employee shall be permitted, upon written application to the First Selectman, and with the First Selectman's approval, to withdraw one additional thirty-day period. Any employee applying to the First Selectman for leave from the master sick leave bank shall provide documentation clearly demonstrating that the illness warrants such absence.
- c) Any employee who ceases participation in the master sick leave bank shall not be allowed to withdraw any contributed sick days.
- d) Any employee withdrawing sick days from the master sick leave bank shall not be required to replace such days, except as a regular participating member of the bank.
- e) The First Selectman may approve an employee's request for sick leave from the bank even if there are no days remaining in the bank and shall debit the sick leave bank for used days, as the days become available through contributions. The First Selectman reserves the right to deny an employee's application for leave if there is insufficient employee participation in the sick leave bank.
- f) For purposes of the master sick leave bank, a day of leave is equivalent to a day of pay for the participating member, and as such, there shall be no difference in the monetary value between the days contributed by one participating member and the days received by another member.
- g) Leave from the master sick leave bank may be used until the participating member qualifies for long term disability. Leave from the master sick bank may not be used to supplement payments received through the Town's long term disability plan.

ARTICLE XVI - PERSONAL LEAVE

Section 1. Regular, full-time employees regularly scheduled to work at least thirty (30) hours per week shall be permitted three (3) personal days off without loss of regular pay per calendar year. These days may be used for personal business or for the observance of religious holidays. Employees are eligible to take these days upon completion of the probationary period.

Section 2. Unused personal leave days shall be paid upon termination of employment unless the employee is terminated for just cause. Personal leave days do not accumulate from year-to-year and are forfeited if not used by December 31.

Section 3. When possible, employees must notify their department heads two (2) working days in advance of requested personal leave days. Personal leave may be taken in hourly units.

ARTICLE XVII - PENSION

Section 1. The Employer shall maintain in effect for the duration of this Agreement the Town of Woodbury Pension Plan dated April 4, 1969 and amended June 14, 1976, August 12, 1981, November 19, 1981, November 16, 1992, November 16, 1998, and updated as of July 1, 2014. Employees hired on or after July 1, 2019 shall not be eligible to participate in the Town Pension Plan. Instead, they shall participate in a defined contribution plan to be established by the Town. Such employees shall be required to contribute 2.0% of their base pay to the plan; the Town shall contribute 5.0% of employee's base pay plus overtime after employees complete their probationary period.

Section 2. Employees shall be eligible to contribute to the Section 457 and Roth IRA plans offered by the Town, subject to legal requirements and limitations.

ARTICLE XVIII - PROMOTIONS

Section 1. Employees shall have the right to apply for promotional opportunities in any Town office or department. All current bargaining unit members who apply for said promotion shall be granted an interview provided that such individual is qualified for the position.

Section 2. An employee who is promoted to a higher job classification shall be placed in the salary range of the new classification at the discretion of the Town, provided that the employee shall receive a wage increase.

ARTICLE XIX - MISCELLANEOUS

Section 1. If any provision of this Agreement is held to be invalid, the remainder of this Agreement shall continue in full force and effect.
